The Portuguese Art of Marialva
Performed by Cavaliero Joao Serra Coelho

Featuring CCF's fabulous Chocolate Silver Dapple Gypsy Stallion, St. Clarins
Also featuring two Arabians fully trained in the Art of Marialva -- *Once in a Lifetime* and *Jair Tamaal*

The art of Marialva is performed from horseback and prohibits killing of the bull. Named for the Marques of Marialva, loyal Master of Horse to the King of Portugal in the 17th century, *Marialva* evolved from primitive hunting and battle techniques into a skillful mastery of horses, becoming an artform which is all but lost today.

Caveliero Eduardo Costa will present his champion Brazilian Lusitanos

CCF proudly presents Jeff Bartko of Black Forest Shires Gypsy Horses, the largest importer of the Gypsy horse to the USA. Jeff will be a featured speaker on the history of the Gypsy horse and culture.

A sit-down bar-b-que luncheon will be served on the main lawn, where music and singing from surprise performers will entertain guests

The equine exhibition will be held in our covered arena, and will commence promptly at Noon!
